

brainLight® Synchro PRO or relaxTower PRO with brainLight®-Shiatsu Massage Chair *flow*

The **brainLight**-Shiatsu Massage Chair *flow* is our super sturdy power pack! Simple but simply ingenious, it combines various air pressure and roller massage techniques, with minimum space requirements. For extra pleasure, the massage rolls don't stop in the lower back area but massage your buttocks and thighs as well. And all of this wrapped in OEKO-Tex 100 certified leatherette!

AREAS OF APPLICATION

HOME USE: For targeted application in a specific area of your life, depending on your choice of **brainLight**-System, e.g. for relaxation, assisting the learning of new languages, for reaching a state of physical well-being, for enhancing energy levels, motivation and mental workouts. The Synchro PRO enables you to combine **brainLight** programs with your own music.

COMMERCIAL USE: For relaxation and stress prevention in spa areas of hotels; chill-out areas; gyms; waiting rooms, e.g. at the doctor's; beauty parlors; alternative health practitioners; physiotherapists; trainers and much more.

HEALTH MANAGEMENT in businesses: E.g. in chill-out and relaxation rooms for employees.

brainLight Complete Systems are available in variants tailored to different areas of application.
